In the kooky, upside-down world of the Addams

Family, the Addamses have lived by their unique values for hundreds of years and Gomez and Morticia, the patriarch and matriarch of the clan, would be only too happy to continue living that way. Their dark, macabre, beloved daughter Wednesday, however, is now an 18-year-old young woman, and has fallen in love with a normal boyfriend.

Schuster. Admission: \$7 (\$5 students). Information: 236-2500 or msossephs.weebly.com.

In the madcap comedy tradition of "Lend Me a Tenor," "Moon Over Buffalo" centers on George and Charlotte Hay, fading stars of the 1950s. On the brink of a disastrous split-up caused by George's dalliance with a young ingénue, they receive word that they might just have one last shot at stardom: Frank Capra is coming to town to see their matinee, and if he likes what he sees, he might cast them in his movie remake of "The Scarlet Pimpernel." Unfortunately, everything that could go wrong does go wrong.
